28th September 2015

Hello,

I am writing to you as a local resident (Sturdon Road) and one of the trustees of LIMP, the community association based around Luckwell Park. I hope you will be interested in a couple of current projects we have on for brightening up the area. Please read on!

Regards,
 Robert Marson

Planters on Duckmoor Road and lower Luckwell Road

This is one of our *Let's Walk Bedminster* funded projects. High quality custom planters will be constructed outside eight shops and businesses on Duckmoor Road and lower Luckwell Road, similar to those installed on North Street. Construction is scheduled to begin in the week commencing 9th November.

The planters will be located at: PB Accountancy, Highcroft Vets, Westway Cleaning Services, Rachael Staddon Hairdressing, A1 Cafe, Royston Garden News, Luckwell Hotel and Winterstoke Garage 95.

Let's Walk Bedminster

LIMP is one of the partner organisations in the *Let's Walk Bedminster* project, which in turn is part of the *Bristol European Green Capital 2015* initiatives. We have been awarded a total of nearly £5000 for our current projects in that connection.

Wall Painting for the Greenmarsh Walkway

This is one of our *Let's Walk Bedminster* funded projects. Opposite the Luckwell Hotel (Luckwell Pub) on lower Luckwell Road is a footpath which is the beginning of a walking route, dubbed 'The Greenmarsh Walkway', along paths and lanes to Gores Marsh Park and beyond to Ashton Gate and Greville Smyth Park.

The footpath is flanked by breeze block walls. LIMP will be brightening this up by painting these walls. It will be a community activity, undertaken by

volunteers at the weekend during October. The choice of day(s) will depend very much on the weather.

In November, a wooden arch is due to be built to mark the start of the walkway. We will also be waymarking the route.
